

Leaf Collection/Recycling:

The Town of Walkkill Highway Dept. collects leaves in the Storm Water Phase II MS-4 designated neighborhoods once a year year in the Fall. The collected leaves are stockpiled, composted, and then made available as free much to our residents the following year. Leaf collection will begin on November 1st and end on November 30th. Although weather and other factors beyond our control make it impossible to set a definite schedule, below is a tentative schedule for when leaves will be picked up in your area. *Please note that if we experience our first plowable snowfall in November, the leaf collection will end regardless of where we are in the schedule.**

The leaves can be raked to the edge of the road or placed in bags near the edge of the road. By placing the leaves in bags, you will avoid the frustration of raking leaves just to have the wind blow them around before they are picked up. **Do not place leaves on the pavement or over catch basins!** If you have bagged your leaves, please call us and let us know; the bags can generally be picked up as quickly as they do not require the special equipment that loose leaves do.

As always, we have a yard at the Highway Department where you are welcome to bring your leaves. There is no charge for this service.

If you have any questions, please feel free to contact the Highway Dept., Monday through Friday, 7am to 3:30pm, at (845) 361-1106.
